

“A Chance to Share Kindness”

Subject: 🌐 ✉️ Let's spread a little joy — Pen-pal letters to Uganda

Hello Tiny Toes families,

Last year our Tiny Toes dancers wrote letters, cards, drawings and photos to the children at Hope House, Uganda — the children from Hope House were so excited that they came into school during their holidays to receive them and write back. It was a truly beautiful exchange that connected our children with those across the miles.

As our UK contact heads back to Uganda in January, we would love to send more letters this term. If your child would like to take part, please encourage them to write a short message, draw a picture or include a photo — however simple. Your Tiny Toes teacher will collect everything and make sure it's

delivered in person. We will also be purchasing and sending the 246 the 44 pupils in the class need, for their next term of school, helping them to receive the education that every child deserves.

Every message will be taken to Uganda in January — where the children will write a personal reply to each Tiny Toes child who participated. This year, as an extra thank-you, every Tiny Toes pupil who takes part will receive a special "Kindness & Global Friend" certificate to recognise their contribution 🤍.

This is about more than just a letter — it's a chance for our children to learn about different lives, cultures, and kindness. It's a way of giving back, building empathy and sharing friendship. I hope many of you will want to join in.

With gratitude,

Miss Emma (founder of tiny toes) & the team
